BAILEY SWITCH NEWS

Mrs. Cleo Cole has returned home after a pleasant visit to her uncles, J. B. Hutchins and J. L. Hutchins, of Danville, Ky., also W. M. Hutchins, of Crab Orchard.

Cleo Deaton is on the sick list this week.

Uncle Luke Phipps, who has been sick for several months, is some better at this writing.

Born to Mrs. Ed Dozier on Sat. Nov. 22, a boy, Willard Tye.

Mr. and Mrs. Dixey, of Barbourville, were the guests of Mr. and Mrs. G. M. McDonald Sunday.

Rev. John Stamper will leave this week for Middleboro where he will take charge of several churches in the mining district.

Rev. W. M. C. Hutchins, of Crab Orchard will give a Bible lecture at Hi-Land Park Church the first Sunday in December. All are invited to hear him.

Notice—As we got ready to get out the Advocate on Wednesday of last week, we were unable to get in some correspondence that arrived after we had made up the forms. However, after we had run off some of the papers the Light Plant again switched us to the old system which is not strong enough to pull our motor and we had to finish the balance of the run Friday when the proper power came on.

Kentucky Mothers

Pudonch, Ky.—"I wish to state some facts about Dr. Pierce's excellent medicine, 'Favorite Prescription.' I used it during pregnancy and found it the best remedy I could get. I always feel strong and my baby never gives me any trouble at all. I have used it at other times and it sets like a charm, it takes away all aches and pains and promotes regularity."

A Kentucky Woman Who Suffered

Pudonch, Ky.—"After first becoming a mother I was in miserable health. I developed a severe case of feminine trouble, and suffered with backaches and pains in my side. I got so bad that I was a complete nervous wreck and physical wreck and had given up hope of getting better when I began taking Dr. Pierce's Favorite Prescription. I soon started to improve and was convinced that I had found the right medicine for my trouble. I kept on taking the 'Prescription,' and my health was completely restored."—MRS. ANNIE SMITH, 1119 N. 12th St., Dr. Pierce of Buffalo, N. Y.—Long since found out what is naturally best for women's diseases. He learned it all through treating thousands of cases. The result of his studies was a medicine called Dr. Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakening drains, pains, irregularities, and for the many disorders common to women in all ages of life. In liquid or tablet form, Dr. Pierce's Favorite Prescription, Buffalo, N. Y., 10c for large trial package tablets.

BETTER TENANT HOUSES

From every quarter comes the report that better housing conditions make the tenants more contented and more permanent. The women in the family have a very large influence in the matter of whether the family moves or not, and the better house causes their influence to be towards staying where they are. A good house increases the self-respect of the occupants, and adds somewhat to their social standing.

Numerous instances are cited in which a farmer, having provided a good house, had no difficulty in keeping plenty of labor even during the rush of the war. These are in almost every case the most progressive farmers of the community;

this indicates that the value of better tenant houses is just beginning to be appreciated. As with all other better farming practices, probably its progress will be slow. But as these most progressive farmers demonstrate its value on their farms others will surely take it up. Fortunately it does not take a progressive idea as long to spread as it did a few years ago.—Southern Agriculturalist.
